

The 49th STAR Creating Alaska

Viewers Respond.....

“I watched the 49th star presentation last night and was deeply moved by it. Very educational and very well done.” - TS

“Everyone I’ve spoken with was thrilled with the documentary and appreciated its historic significance. It is a wonderful thing that Alaskans today were able to participate in this historic celebration with some of the original delegates to the Convention. It certainly makes history more alive for all of us.” - GP

“Congratulations! Kudos! It’s really quite wonderful.” - BC

“...livelier than most historical documentaries, with that great film footage throughout the hour. I'm hungry for more. Hope you continue to share such great and uplifting stories...” - MS

“Congratulations on a wonderful film.” - PW

“It brings a big lump of pride to my throat...It makes me very proud to be an Alaskan - an heir to such noble history.” - IP

“The best documentary ever made about Alaska by Alaskans.” - DC
